MESSAGE FROM CHAIRPERSON & MANAGING DIRECTOR

Welcome to Swostishree!

Swostishree Gurukul IB World School is the realization of a dream. A dream to prepare generations of young people in Nepal who will be capable of taking the country forward as a global contender. The world today provides unlimited opportunities for those who have the right attitude and the right qualifications. The playing

field has expanded beyond imagination, and the players are multitalented and multifaceted. It is our dream at Swostishree Gurukul to prepare players who will not only be able to compete but will also be capable of leading.

Yesterday's school is no longer relevant for today's child. The world is so much smaller than it was yesterday. There's so much change happening and

at such frightful speed. If one doesn't keep up one will get left behind. The need of the hour is an education that is progressive and inquiry-based in an environment that encourages students to learn, formulate questions, investigate widely, and then build new understandings, meanings, and knowledge. The rising interest in education that is relevant, inspiring, and useful for their children to be successful in a foreseeably even more complex and globally interconnected future gives us an excellent opportunity to present Swostishree Gurukul IB World School as a school of and for the future.

MESSAGE FROM THE PRINCIPAL

Dear Prospective Students and Parents,

Welcome to Swostishree Gurukul, a place where students come to unlock their full potential and reach for the stars! I am excited to lead our exceptional school community into the next generation of experiential teaching and learning. Swostishree takes pride in offering a holistic education that extends beyond our classrooms,

empowering students to become well-rounded individuals who are equipped with the confidence and maturity to tackle future challenges.

At Swostishree Gurukul, we believe in creating an environment that nurtures creativity, innovation, and exploration. We recognize the uniqueness of each student and are committed to providing personalized care and attention to every

individual. Our dedicated and highly qualified teachers are passionate about delivering world-class education that encourages critical and creative thinking. Moreover, our students receive national and international exposure through our affiliation with numerous international organizations that organize international competitions, exchange programs, and cultural exchanges.

Our state-of-the-art facilities include air-conditioned classrooms equipped with smart boards and the latest technological tools, ensuring that our students learn in a comfortable setting. We understand the importance of nutrition in student development, and our experienced chefs prepare healthy and delicious meals, ensuring that students receive the required energy and nutrition to learn, grow, and thrive.

We invite you to join our school community and embark on an exciting journey of learning, growth, and discovery.

Principal

VISION

Swostishree Gurukul IB World School envisages generations of lifelong learners striving towards academic excellence, social responsibility, nation-building, and global fraternization.

MISSION

Swostishree supports inspired learning through dedicated teaching, caring relationships, a challenging curriculum, and community service. Our mission is to provide the best possible education to every individual child.

ABOUT SWOSTISHREE

We are a pioneer private institution to offer 10+2 qualification of the National Examination Board since 2020. We provide an opportunity to highly committed academic achievers to pursue a prestigious national high school qualification that lays the foundation for them to secure acceptances and scholarships at prominent universities and programs worldwide.

Located at the heart of the capital, we are fully co-educational. Our primary strength is having seasoned faculty members, small class sizes, and, most importantly, a friendly and caring approach.

We adopt an adult approach to education with a discipline where each student's work is carefully monitored. We aim to establish strong academic foundations, achieve outstanding examination results, and engender a mature and independent attitude vital for taking advantage of life's opportunities.

The student-centric approach of our college, with world-class services, facilities, and resources, is the best in the country, and we are committed to paving the way to offer what promising future leaders truly deserve.

SWOSTISHREE EXPERIENCE

Swostishree provides an intensive and highly interactive learning experience that will change how students think for the rest of their lives. Reflecting the vibrant and entrepreneurial culture of the college, our 10+2 program will challenge the assumption of the students and will encourage them to devise strategies that will shape their future.

Every aspect of the program has been designed to broaden the sharing of ideas, facilitate peer interaction, and develop cross-sectional knowledge.

The flexible timetable accommodates the varied interests of each of its students, regardless of the subject combination. The subject choice flexibilities depend on a minimum number of students and the guidance given by the National Examination Board.

FACILITIES

The college has classrooms that facilitate the teaching-learning experience. They are spacious and well-lit. The library features a host of appropriate textbooks for reference, several daily newspapers, magazines, novels, e-books, and computers with broadband internet and Wi-Fi access. The science laboratories are adequately equipped. Swostishree premises have adequate open space with ample sports facilities, including a basketball court, a futsal ground, indoor heated swimming, table tennis boards, badminton, and roller skating among others. Each student is offered a locker to keep personal belongings.

TRANSPORTATION FACILITIES

The school has a fleet of air-conditioned vans. Safety and comfort are absolute priorities. Each van is driven by an experienced driver and is accompanied by a trained assistant. Every vehicle is equipped with GPS.

CAFETERIA

Swostishree is committed to providing healthy and hygienic meals to children. We know that a well-balanced and nutritious diet is absolutely necessary for the students' physical and mental growth. Each and every meal is prepared under hygienic conditions in our modern kitchen under the supervision of a professional chef and a dietician. Vegetarian, as well as non-vegetarian food items, are cooked separately with great care. Separate utensils are used in the process of cooking and serving.

LEARNING BEYOND SYLLABUS

Swostishree Gurukul delivers a relevant and rigorous academic curriculum that provides students with both the theory and the tools for successful educational prospects. Seasoned faculty members and career counselors guide the students with their proven teaching methodologies and international perspective, emphasizing the bridge between theory and practice through a mix of case studies, lectures, experimental learning, guest speakers, and small group discussions. Swostishree Gurukul provides a wide range of non-credited syllabi that provide students with learning opportunities that extend outside the classroom to build diverse, engaging learning environments for all learners. This is critical for supporting and improving the learner experience, ensuring excellent educational results for students, and preparing them for the university.

Our 10+2 learners go for extensive community services (80 hours). When students get involved in community service, they not only help others – they expand their worldview, develop empathy and leadership skills, and realize how their actions can have a positive impact.
